

September 2017

Dear Friends,

Thank you for all of your support for the Deborah F. Sager Memorial Fund. I am always encouraged by your generosity towards supporting the needs of the Deborah F. Sager Neonatal Intensive Care Unit at Inspira Medical Center Vineland.

Once again, we have great news! Century Savings Bank will be matching all donations given in the last quarter of 2017 up to \$5,000. This is part of Century's "Premie Promise" Campaign that began in 2016 and will continue through 2018.

The dollars raised help to provide the critical care necessary to preserve and nurture the lives of fragile premature infants. So, if you send a gift of \$100 now – your gift will have the impact of \$200 allowing YOU to be part of the miracle of saving the life of a precious newborn baby.

An estimated 10-15% of all infants will spend some time in a neonatal intensive care unit. The Deborah F. Sager NICU has neonatologists and trained NICU professionals available 24/7 to provide the life-saving medical attention needed for each child. Take a moment to look at the enclosed update highlighting the remarkable journeys that some of our premies have experienced over the past few years.

In memory of Debbie's wonderful spirit, I am asking you, once again, to join with me in providing the healing hand and heart for all premies and families that pass through the Deborah F. Sager Neonatal Intensive Care Unit. Your donation today will go twice as far with the help of the "Premie Promise" pledge from Century Savings Bank.

There are several ways to help:
